RE: MOD055872204 - West Plains, Missouri

Dear Ms. Jacobs:

Thank you for your prompt response to our request for clarification of the above facility's status in the Federal Resource Conservation and Recovery Act (RCRA) program.

Based on your response and our telephone conversation, we are changing its status to generator.

If the process should change, or if you do not understand the requirements placed on a generator, please feel free to contact Mrs. Betti Harris of my staff at 816-374-6534.

The action described in this letter pertains only to the Federal RCRA system and does not dismiss you from the necessity to comply with the Missouri Solid and Hazardous Waste Laws and Regulations, 260.200 - 260.240 RSMo and 260.350 - 260.430 RSMo respectively. If you have any questions concerning this, please contact the Waste Management Program of the Missouri Department of Natural Resources at 314-751-3241.

Sincerely yours,

Robert L. Morby  
Chief, Waste Management Branch  
Air and Waste Management Division
